We are now in March, the time of year where the snow is melting, and we are all certainly dreaming of Spring and Summer Flowers. This month's edition takes a look back to the Summer Flower Show held in 2000 in the ODSS Cafetorium. Here is a lovely picture from the Orangeville Citizen showing some of the winners. In this picture is Betty Douglas (left) and Rose Poczo (right) as they congratulate Jean Wiegard on winning first place in the "Memories" class.

See you in April's edition of From the Archives when we celebrate our 55th Anniversary on April 20.
