

From the Archives – June 2026

Trixie and Tom Montgomery had tea, coffee and some refreshments ready for thirsty visitors on the Orangeville & District Garden Tour this Saturday. When Mr. and Mrs. Montgomery bought their land it was just a field.

Hello and a happy June to all of you! Since we have just had our fabulous Hidden Gems VIII tour, I went into the Archives to find an image from a previous Tour. I present to you July 1993. Trixie and Tom Montgomery hosted community members at their property for the Orangeville & District Garden Tour. I am happy as the Archivist to share this image with you and even more excited to know that this rich tradition continues within our Society, 33 years later. I hope you enjoyed this glimpse into our past. See you for the next edition of From the Archives.
